SCIENTIFIC MEETINGS

Editor

Miss Gertrude Bloomer
The Wm. S. Merrell Company
Cincinnati 15, Ohio

Business Manager

Miss Joan Hutchinson
705 Corwin Avenue
Hamilton, Ohio

SCIENTIFIC MEETINGS is published 3 times a year. Subscriptions for 1958 are \$4.00. Single copies \$1.50. Make checks payable to SCIENTIFIC MEETINGS.

This issue of SCIENTIFIC MEETINGS lists those events which are scheduled to be held on or after March 1, 1958. The data concerning the meetings are, for the most part, prepared from announcements appearing in scientific journals. The accuracy of the data, therefore, depend on the accuracy of the announcements. The editor invites scientific organizations to send announcements of their own meetings directly from their headquarters.

Starting with this issue, SCIENTIFIC MEETINGS will be published in two parts. Part 1 will be an alphabetical list of organizations sponsoring events, and it will contain complete data on the events. Part 2 will be a chronological list. This part will serve only as a "finding" list; it will be necessary to refer back to Part 1 for specific information.

The following members of the Science-Technology Division, and two societies, took part in preparing this issue:
